Work Experience

Lonestar Truck Group - Texarkana, TX: Graphic Designer - June 2018 to Present

My duty as a graphic designer includes designing graphic layouts and recreating the customers design for commercial motor vehicles (CMVs) as well as tractor trailers, semi-trucks (Freightliner and Western Star) and other transportation vehicles. I also work on a variety of business signs, logos, banners and design Orca coolers to be wrapped, I prep the design and send it off to the vinyl wrapping department.

Texarkana Machine Inc. - Texarkana, TX: AutoCAD Draftsman - May 2017 to July 2017

Measure using CMM, calipers, mics and other measuring tools to transfer measurements of parts to be manufactured in a CNC machine. Did 3D modeling, 2D drawings and revised drawings utilizing Autodesk AutoCAD 2018.

ARK-TEX Council of Government - Texarkana, TX: Information technology / Passenger Van Driver - July 2011 to May 2016

Performed computer maintenance, computer hardware upgrades (motherboard, CPU, ram, video cards), upgrade essential course software, connected peripherals such as printers and scanners. Diagnostics of computer problems such as software errors and hardware malfunctions. Installed computer hardware (Ethernet cards, hard drives, video card, and RAM memory). Installed CAT-5 wire for LAN to server. Help design website. I provided rural transportation for passengers to their place of employment. I also plan scheduling and routing for transit to the entire Bowie county area.

Husqvarna - Texarkana, TX: CAD Operator - August 2008 to January 2011

Created 3D modeling prototype and 2D drawings, assembly and sub-assembly drawings utilizing CATIA software. Designed assembly test fixtures and impact fixtures for product durability, testing and evaluation. Attend weekly project status meetings with Project Engineer.

Baptist Bookstore - Texarkana, TX: Graphic design - June 1998 to August 2000

Created promotional displays, packaging, and marketing brochures. Develop the layout and production design of VBS, (Vacation Bible School) and other publications. Make changes to mock-ups and submit rough drafts to client for approval. Converting and cleaning line art to digital format. Meet with art directors to collaborate on design.
